Parent and Community Volunteers

Our primary goal at Port Byron is to provide the best educational program for our students. Our teachers, staff and parent/teacher groups are continually working to improve, enhance, and enrich our academic programs and learning environment.

One important component of our school is our Volunteer Program. Volunteers are needed to assist with a variety of classroom and non-classroom related tasks. If you can spare one or two hours a week and are interested in volunteering in our schools, please fill out the application below and return it to your child's building principal or to Susan Ray in the District Office.

We encourage grandparent and community volunteers, as well as parents, so please feel free to share this information with individuals who may be interested.

Port Byron Volunteer Interest Form

Name_____Date_____
Address_____
