
Story information form

There are wonderful things happening throughout the Port Byron Central School District, and we want to spread the word.

To streamline the process of getting news onto the district website and out to the media, please use this form to request coverage from the district Communications Office or submit information for a story on the district website or a press release. Just fill out the form, save it and return it as an email attachment to **kjarosz@pbcschools.org**

Whenever possible, please submit requests for coverage at least two weeks in advance.
